

NPS

Naval Postgraduate School
Monterey, CA.

Master of Science
in
Product Development

Application

Application for MPD

General Criteria For Admission

Each candidate must:

- Hold an undergraduate degree in engineering or a related scientific or technical field with a minimum GPA of 3.0. (Exceptions may be considered on a case-by-case basis)
- Be sponsored by an employer committed to supporting the student's full participation in the program.
- Have a least five years experience directly related to product development.
- Complete all application materials by the appropriate deadline.
- Have a personal interview with the MPD selection team (on campus, in the field or by phone).

Note: sponsoring commands or companies may have additional requirements. Please contact your organization educational representative for specifics.

Admission Deadlines

Contact your organization educational or training representative for internal deadlines. NPS must receive completed materials by **July 15th**.

A Complete Application Consists of:

1. Your completed MPD application form, including a signature from an authorized representative of the sponsoring organization.
2. Your official transcripts for all undergraduate and graduate work completed.
3. At least one letter of recommendation from a current or recent supervisor in the sponsoring organization.
4. A copy of your current resume.
5. A personal interview with an MPD admissions team member will be conducted sometime after receipt of application and before notification of formal acceptance.

You are responsible for assembling and submitting all parts of the application.

Note: If you are unable to obtain some part of your application, attach a note of explanation to your application form and indicate which part(s) of the application will be arriving separately. While the missing information may delay the application process, it will not jeopardize your chances of being admitted. A complete application is required before formal acceptance can be given.

Application Instructions

Please follow carefully the step-by-step instructions below for completing your application.

Please be sure to use the same name and same spelling of your name on all forms, records and correspondence. Please include your Social Security number on all forms and correspondence to assist processing.

Send your application packet to one of the following:

1. Your organization education or training representative during the internal selection process. If you don't know who your representative is, ask your manager or contact the NPS MPD office.

2. **Naval Postgraduate School
Office of Continuous Learning
MPD Program Office**

Attn: Professor Wally Owen
101 North Street, Bldg. 211
Monterey, CA 93943

(1) MPD Application Form

Fill out the enclosed admission application form completely. An authorized senior representative and immediate supervisor of your organization must sign and endorse the application form.

(2) Official Transcripts

Official transcripts of all college work, including any graduate or undergraduate study, are required. You must provide official transcripts or notarized certified copies, not photocopies. To obtain transcripts, contact the undergraduate and graduate institutions you attended and ask the registrar (or other appropriate school official) to send your official academic transcripts directly to Naval Postgraduate School address listed above. Any transcripts stamped "Issued to Student" cannot be accepted for admission.

Each transcript should indicate years of attendance, subjects studied each year, and

the grade earned in each subject. A key to the grading system should also be included.

(3) Letter of Recommendation

Applicants must submit at least one letter of recommendation from a current or recent supervisor in the sponsoring organization. Give your supervisor one of the recommendation forms enclosed in this publication and a self-addressed envelope with proper postage.

Instruct them to 1) seal the completed recommendation form inside your self-addressed envelope; 2) sign or stamp across the sealed flap to ensure the contents' confidentiality; and 3) return the envelope to you.

The sealed envelope containing the recommendation should be submitted with the rest of your application materials.

(4) Resume

All applicants must submit a current resume.

Acknowledgement and Verification

You will receive acknowledgement once NPS has received your application. This notice will also tell you if any necessary items are missing from your file. Since this is a sponsored program, most organizations will conduct an internal selection process before forwarding applications to NPS. It is recommended that sponsors use this application and any other required forms to conduct their internal selection process.

Once NPS receives your application, a MPD program office representative will contact you for a personal interview. A MPD Academic Review board will be convened to evaluate your eligibility for admissions. You will be notified of your admission status as soon as possible following the interview and review board, but no later than August 1, 2001.

For information concerning the status of your application, or for further information about the application procedures, contact the MPD Office, telephone **636-925-2982** or email mpd@nps.navy.mil.

Application for Graduate Study

Please print or type all responses. Return to your organization representative or to the NPS MPD office.

Date _____

Section D Command Endorsement (To be carefully read and understood by an authorized senior representative of the applicant's organization)

Name of Applicant _____

Sponsoring Organization (Company, Division) _____

If applicant is accepted to the NPS MPD program, the sponsoring organization understands the obligations necessary to support a student in the program. The organization agrees to release the student from job responsibilities on class days and for other authorized events to include kick-off week in Monterey, CA, 1-2 field trips and a graduation ceremony. It is also understood that a student will make a significant investment in time to study and be prepared for each course and that the local command has compensated the individual appropriately to carry out these requirements. Similarly, the student should understand their obligations to the organization and the course of study. I hereby endorse this individual's application for the MPD program and wholeheartedly support my command's investment in this program and individual.

Additional Comments:

Section D Supervisor Endorsement (To be carefully read and understood by the applicant's immediate supervisor)

If applicant is accepted to the NPS MPD program, I understand and agree that the student will be released from job responsibilities on class days and for other authorized events to include kick-off week in Monterey, CA, 2-3 field trips and a graduation ceremony. As this individual's supervisor, I will do everything possible within my power to maximize their participation and experience in this highly demanding and challenging program. By doing so, I realize this upfront investment in the individual's education and professional development has the potential to provide significant future benefits to my organization and the United States. I hereby endorse this individual's application for the MPD program and wholeheartedly support my command's investment in this program and individual.
